Coupon Authorisation Stamp

To All Sasria Agents and Intermediaries

In light of the former CEO's Mr Cedric Masondo's departure, the Sasria coupons authorisation signature has been updated.

Please note that all coupons must now be authenticated with the use of the attached authenticity stamp, along with reference to the current CEO, Mpumi Tyikwe.

Where possible, this update needs to take effect immediately on all new business, renewals, and endorsements; however, we are aware that some organisations may require system updates. If this is the case, please ensure that all coupons are updated and in use no later than April 1, 2023.

Download the stamp [here](#).
