3. Magnitude Discounts

3.1. Magnitude Discounts (One Insured Regulations)

Before setting out the value of any Magnitude Discount it is important that the Sasria agent and the Broker understands the Regulations relating to the 'One Insured', as referred to in these Regulations.

ONE INSURED is defined as follows:

- a) A single Insured or a Holding Company and all its Subsidiaries (as contemplated by the Companies Act, 1973 as amended).
- b) Or a subsidiary of a Holding Company

The Companies Act defines a Holding Company as:

3.1.1 Holding Company limit: Section1 (3) (a)

'For the purposes of this Act, a company shall, subject to the provisions of paragraph (c) be deemed to be a subsidiary of another company if -

- (i) that other company is a member of it and -
 - (a) holds a majority of the voting rights in it, or
 - (b) has the right to appoint or remove directors holding a majority of the voting rights at meetings of the board; or
 - (c) has the sole control of a majority of the voting rights in it, whether pursuant to an agreement with other members or otherwise; or
- (ii) it is a subsidiary of any company which is a subsidiary of that other company; or
- (iii) subsidiaries of that other company or that other company and its subsidiaries together holds the rights referred to in sub-paragraph (i) (aa), (bb) or (cc).

Section1 (3) (b)

In determining whether a company holds the majority of the voting rights as contemplated in paragraph (a) (i) (aa)

- (i) voting rights which are exercisable only in certain circumstances shall be taken into account only –
 - (a) when those circumstances have arisen, and for so long as they continue, or
 - (b) when those circumstances are under the control of the person holding the voting rights;
- (ii) voting rights held by a person in a fiduciary capacity shall be treated as not held by him but by the beneficiary of such voting rights;
- (iii) voting rights held by a person as nominee for another person shall be treated as not held by him but by that other person, and voting rights shall be deemed to be held by a nominee for another person if they are exercisable only on the instructions or with the consent or concurrence of that other person.

Section1(3)(c)

A body corporate or other undertaking which would have been a subsidiary of a company had the body corporate or other undertaking been a company shall be deemed to be a subsidiary of that company.'

NOTE: Shareholding percentages do not determine whether a company is a Subsidiary of another. The main requirement of a Subsidiary is determined by the Voting Rights.

3.1.2 Subsidiary of the holding company limit

For the purposes of insuring a subsidiary of a holding company, the subsidiary is defined as company/companies with a direct relation to the holding company as stipulated in Section1 (3)(a)(i) **only**. Subsidiaries of a subsidiary are excluded in this definition

The insured may select to buy Sasria cover per subsidiary; this would allow more cover per subsidiary i.e. R500m per subsidiary per period of insurance and the Holding company will enjoy a separate R500 million loss limit as well.

3.2. Magnitude Discount (Joint Ventures)

3.2.1 Joint Ventures are a combination of separate business entities that agree to form one entity for a specific business venture. There are various forms of Joint Ventures and confusion often arises as to which of the partner businesses actually has control over the activities of the Joint Venture business.

3.2.2 For this reason it is recommended that details of the Joint Venture are supplied to Sasria who will respond with a ruling as to how the Joint Venture is to be regarded in respect of any Magnitude Discount facility.

3.2.3 Certain "Joint Ventures" will be regarded as separate "One Insured" entities on the basis that the definition of a 'Holding Company' and Subsidiary in terms of the Companies Act, does not apply.

3.2.4 Where these Joint Venture companies fall outside the definition of a Holding Company they will be regarded as separate companies and will enjoy their own "One Insured" Magnitude Discount and limit.

3.3. Magnitude Discount (Lease-back properties)

"Lease-back" properties must be issued in the name of the "Lessor"

Where the property is insured in the name of the "Lessee" on the underlying Policy, it is permissible to issue the Sasria Coupon in the joint names of the "Lessee" and "Lessor" for their respective rights and interests. This will, however, be regarded as property belonging to the "Lessor" for purposes of the "ONE INSURED" definition.

3.4. Calculating the Sum Insured/Full Value

The Sum Insured/Full Value in respect of any ONE INSURED means: the total of the Sums Insured for all Coupons/Policies for which Sasria cover has been effected for a Holding Company or Subsidiary of a Holding Company (other than Money, Transit, Contract Works and Motor).

In cases where Inflation or Escalation is applicable, the Full Value must be calculated using the base Sum Insured/ Value and not the Final Sum Insured/Value as brought about by the provision for Inflation or Escalation.

Up to a Sum Insured of R500 million.

No Magnitude Discount is available.

Sum Insured over R500 million.

3.4.1 There is an option to buy cover at Holding Company or at Subsidiary of the holding company level.

3.4.2 Where the option of buying cover at Subsidiary of the holding company level is selected, the loss limit discount is applied at subsidiary level i.e. The full Value/sum insured to be used when calculating the loss limit must be that Of the subsidiary.

3.4.3 Where the Sum Insured/Full Value for any ONE INSURED exceeds R500 million, the Limit of Sasria's Indemnity remains R500 million during the period of insurance.

3.4.4. The annual aggregate limit of R500 million will apply to all Coupons and Policies of the One Insured (excluding Contract Works, Construction Plant Coupons and Motor Policies and Motor vehicles covered under a Material Damage Coupon).

3.4.5. The sum insured or limits in respect of Money, Accumulation of vehicles (static/depot risks), Property in the course of construction, Goods in Transit, Marine Cargo and Stock throughput risks must not be included in the total Sum Insured when calculating the Magnitude discount.

3.4.6. The Magnitude Discount itself, however, will still be applicable to the premium payable in respect of the Money, Goods-in-Transit, Marine Cargo and Stock-throughput risks Coupons.

3.4.7. Where the first Period of Insurance is less than a year (solely for the purpose of aligning the insurances to a Insured's insurance portfolio renewal date), the premiums may be calculated pro-rata for the Period of Insurance based on the discounted annual premium, subject to a Renewal Warranty. In all other short-period cases, any discount must be the discount applicable to the actual premium for the period.

3.4.8. Where the One Insured's Sum Insured/Full Value exceeds R500 million, all Coupons commencing in the same period of insurance are to be dealt with simultaneously and collectively. The discounted percentage thus calculated remains unchanged throughout the Period of Insurance of all the Coupons involved and applies to all subsequent calculations necessitated by increases or decreases in the total Sum Insured (not applicable to Mergers Takeovers and Disposal of Companies), and the issue of Coupons for any other risks (Money, Goods-in-Transit, Marine Cargo and Stock-throughput risks) to which the Magnitude Discount is applicable.

3.4.9. No other discounts are allowed except in the case of Voluntary Deductibles and Co-Insurance.

3.4.10. The granting of the Magnitude Discount is subject to:

- (i) The attachment of the following Renewal Agreement in respect of those Coupons still to be renewed;
- (ii) The application of the annual aggregate Magnitude Discounts, applicable to that same collection of Coupons during a period of insurance.

3.4.13 The Magnitude Discount is only applicable to property situated in the Republic of South Africa.

3.5 Calculation of the Magnitude Discount

	TOTAL SUM INSURED (Sasria VALUE AT RISK IN R. MILLION)				DISCOUNT		
	R	R		%			R
Maximum discount allowed is 90.00%	0	- 500	=	0			
	500	- 700	=	0	+	0.0600	For each million in excess of 500 million
	700	- 950	=	12	+	0.0280	For each million in excess of 700 million
	950	- 1,450	=	19	+	0.0200	For each million in excess of 950 million
	1,450	- 1,950	=	29	+	0.0120	For each million in excess of 1,450 million
	1,950	- 2,700	=	35	+	0.0080	For each million in excess of 1,950 million
	2,700	- 5,200	=	41	+	0.0044	For each million in excess of 2,700 million
	5,200	- 7,700	=	52	+	0.0028	For each million in excess of 5,200 million
	7,700	- 12,700	=	59	+	0.0012	For each million in excess of 7,700 million

	37,700	- Plus	=	80	+	0.0002	For each million in excess of 37,700 million

EXAMPLE 1: Holding Company level

TOTAL Sasria VALUE AT RISK: R620 000 000 for Holding Company A which has three subsidiaries (X, Y and Z).

DISCOUNT = 12 % + 6.2% (.0280% X 220) = 18.2%

Magnitude Discount therefore: 18.2%

Applying the magnitude discount to subsidiary X:

Value at risk for X: R 620m

Premium calculation:

Value at Risk: R620 000 000	@ 0.0174%	= R107,880.00
Less loss limit discount	@ 18.2%	= R19,634.16
Premium payable to Sasria:		= R88,245.84

EXAMPLE 2: Subsidiary of a Holding Company

If cover is purchased at subsidiary level, the magnitude discount for subsidiary X will be calculated as follows:

TOTAL Subsidiary VALUE AT RISK: R620 000 000

DISCOUNT: 0% + 7,2% (0.0600% X 120)

Magnitude Discount therefore: 7,2%

Premium calculation for X:

Value at Risk: R620 000 000	@ 0.0174%	= R107,880.00
Less loss limit discount	@ 7.2%	= R7,767.36
Premium payable to Sasria:		= R100,112.64

NOTE: The Discount applying at the inception of the cover must also be used for the purpose of all premium adjustments undertaken during the Period of Insurance.

No change in the value of the Magnitude Discount is allowed after inception of the Sasria COUPON, during the Period of Insurance of all the Sasria Coupons/Policies involved. The only exception to this rule is in the event of mergers, takeovers and the disposal of companies. In these circumstances the Magnitude Discount may be recalculated.

FOR CONTRACTS OVER R32.4 BILLION - CONSULT SASRIA EXAMPLE

CONTRACT VALUE: R787 362 000

CONTRACT PERIOD: 49 MONTHS

DISCOUNT = 10% + 2.61% (.030 x 87) = 12.61%

Period over 48 months = 12.62% x 50% = 6.305%

Magnitude Discount therefore = 6.31%.

Premium therefore:

R787 362 000 @ 0,006% = R47 241.72

Less Magnitude Discount @ 6.31% = R 2, 980.95

Premium payable to Sasria = R44 260.77

NOTE: The Discount applying at the inception of the cover must also be used for the purpose of all premium adjustments at the end of the contract period, even if the contract value results in a higher Magnitude Discount applying. The Magnitude Discount is applicable to specific contract coupons only.
